

## D.S. Flikkema Grant Deadline Approaches

### Deadline Approaches for 2010 Flikkema Grant Inquiries

The trustees of the D.S. Flikkema Foundation, as part of their process of determining grants, review information received from groups interested in being considered for such grants. The deadline for submitting information for 2010 grant consideration is the end of this month (September 30th).

Fulton's charitable organizations are reminded to submit a single page letter of inquiry describing the programs, projects or specific needs you would like the trustees to consider. The letter needs to be postmarked by no later than September 30, 2009, and sent to the D.S. Flikkema Foundation, c/o FACE, P.O. Box 292, Fulton IL 61252. The letter should inform the trustees of any programs, projects or specific needs of the organization.

The FACE board will pass all requests postmarked by September 30th on to the trustees each October. The majority of D.S. Flikkema Foundation grants will be issued around March/April.
