

## Central Bank Supports Unity Christian

### Central Bank Supports Unity Christian Auction

Central Bank in Fulton recently made a \$400.00 donation towards the Unity Christian High School's Annual Auction. The 2010 Auction scheduled for March 27 is the school's largest fundraiser of the year. The silent auction starts at 8:00 am and the live auction starts at 10:00 am until all items are sold.

With the help of Central Bank's donation, all funds raised go towards assisting the ongoing operational cost. Additionally, funds help keep tuition costs affordable for Unity Christian students. Central Bank's contribution will help purchase many valuable prizes including family vacations, and much more.

Other individuals and businesses who may be interested in supporting Unity Christian's Annual Auction may contact the school at 815-589-3912.
