

## D.S. Flikkema Grant Inquiries

Deadline October 31st for 2011 Flikkema Grant Inquiries

The trustees of the D.S. Flikkema Foundation, as part of their process of determining grants, review information received from groups interested in being considered for such grants. The deadline for submitting information for 2011 grant consideration is this October 31st, one month later than usual.

Fulton's charitable organizations are reminded to submit a single page letter of inquiry describing the programs, projects or specific needs you would like the trustees to consider and how they will make a difference to the community. Letters need to be postmarked by no later than October 31, 2010, and sent to the D.S. Flikkema Foundation, c/o FACE, P.O. Box 292, Fulton IL 61252.

The FACE board will pass all requests postmarked by October 31st on to the trustees in early November. The majority of D.S. Flikkema Foundation grants will be issued around March/April.
