

Fulton Dutch Days Festival

2022 Dutch Days – May 6 & 7 Friday and Saturday

Fulton IL 61252

The Fulton Dutch Days Festival is planning another exciting year following the Covid Epidemic that closed us down for 2 years. We are searching for several additional vendors Many have retired, sold out, or found new locations. Please pass the word around of our need for even the basic item like corn dogs and funnel cakes. Anyone can contact me at mmmmkram4@hotmail.com or 815-590-2889 cell.

Food vendor set up on paved city streets. The pavement slopes and you will need items to level trailers

Food Vendor is again asked to set-up Thursday afternoon after **5 pm**. I will or my assistant will be there at that time to assist in placing the food vendors. Friday and Saturday times to be open are 9 am to 5 pm. The Arts and Crafts will be open again on Friday and Saturday. We have no scheduled activities at this time after the parade is completed, but you are invited to stay after 5 P.M. if the crowd is still around. Those in need of a Whiteside County Health Permit must contact them on their website. All food vendors need one and the health dept will inspect daily.

Please list all your food items you plan to offer during the festival. Items on your list may need to be removed if they conflict with those offering a very limited menu of 2 or 3 main items. You will receive a call informing you of the duplicate items. Our goal is for all to have a profitable and enjoyable weekend.

During the festival hours a food vendor can not remove their food trailer by means of motor vehicle thru the midway during weekend activities. A dangerous situation occurred when an owner has old out and attempts to leave early. Due to the possibilities of injury to any of our festival visitors no equipment shall be removed prior to our daily closing hours listed in the contract. Personal injury suits have been the demise of many festivals such as ours with no agency willing to cover our insurance needs along with the vendors. Please contact the coordinator if you must leave and work out contingency plans for you're leaving.

Thank You, I'm looking forward to another great year with all of you,

Michael Kramer
